Dear Mr. Hall and Ms. Takeda,

On behalf of the faculty of Westchester-Emerson Community Adult School, many thanks for your well-organized presentation on Illness/Injury Prevention on Friday, September 16, 2005.

You obviously generated considerable interest in the subject area judging from the number of questions on wide-ranging areas of Health and Safety that you received. We are most grateful for the expertise you demonstrated and for your willingness to be open and direct.

Thank you again for coming at late notice; we will long remember your kindness and the valuable information you provided to our teachers.

Sincerely,

Pat Colby
Principal
