# SAFETY ALERT

---

No. 09-01

FDA ADVISORY ON RECALLED  
PEANUT BUTTER PRODUCTS

JANUARY 2009

---

Recently news media have reported illnesses from *Salmonella* poisoning. The Food and Drug Administration (FDA) has issued an advisory regarding products containing peanut butter and peanut paste made by Peanut Corporation of America (PCA) which are used as ingredients in many products including cakes, cookies, crackers, candies, cereal and ice cream.

FDA has created a searchable list of products and brands associated with the expanded PCA recall. Attached is the list of recalled products as of January 21, 2009. This list is available on the FDA website at: <http://www.accessdata.fda.gov/scripts/peanutbutterrecall/index.cfm> and will be updated on a regular basis as additional recalls occur and information is received by FDA.

Food Services Branch advises that food served in the cafeterias is safe and no recalled products are being served. However, if any products on the list are sold through the student store, fundraising or other sources, Site Administrators should ensure the products are collected and Food Services Branch will pick-up items for disposal. To arrange pick-up, contact Food Services Branch at 213-241-2991.

Based on available information, FDA and LAUSD have recommended the following:

- Do not eat or handle food products that have been recalled and discard products through Food Services Branch as specified above.
- Postpone eating other peanut butter containing products (such as cookies, crackers, cereal, candy and ice cream) until information becomes available about whether that product may be affected.

Common symptoms of *Salmonella* poisoning include diarrhea (sometimes bloody), vomiting, fever, and abdominal cramps within 12 to 72 hours after infection. Illness ranges from mild to severe with infants, elderly and immunocompromised persons at greater risk for severe disease. The illness usually lasts 4 to 7 days, and most people recover without treatment.

If you are experiencing these symptoms, please seek medical attention. Students experiencing these symptoms should see the School Nurse. Please contact Student Medical Services at 213-765-2830 for medical information. If you have questions, contact the Office of Environmental Health & Safety at 213-241-3199.
